Life Abundant!

Dear Friends in Christ Jesus:

We are grateful. We give thanks that the Breakfast Club is up and running again this year. We appreciate our cooks who faithfully and joyfully serve breakfast on Wednesday mornings. Before the students eat, Ms. Julie runs through a litany of things for which “we are grateful for”

We are grateful to be worshipping together in person and online. We are delighted that our quilters, book groups, circles, and choirs are meeting together. On Wednesdays, we are enjoying delicious meals followed by worship, confirmation and SPY.

We tend to see and find what we're looking for. I see the Holy Spirit stirring things up at St. Peter's and breathing in new life. I see cups of grace, love, and generosity overflowing.

In John 10, Jesus says, “I came that you might have life, and have it abundantly.”

Enclosed with this letter is an Estimate of Giving card. Please prayerfully consider your financial support of St. Peter's in the coming year and return it in worship or through the mail. Our goal is to increase our giving in 2022 by 10% so that we may share more abundantly, love more abundantly, serve more abundantly, and thrive more abundantly.

We are grateful for the abundant life we have received in Jesus and we are blessed with opportunities to live in Christian community. Thank you for your consistent support of St. Peter's Lutheran throughout the past year. We are hopeful that we may soon enter a world full of new opportunities to share God's love in Jesus Christ.

Peace,

Pastor David & the Stewardship Ministry Team
